**Confirmation of total fees and payment option will be included in your letter of acceptance along with an online payment method.**

## Cancellation and Refund Policy

We understand that family schedules and student commitments can change. The following refund schedule applies to all Educational Outreach Program tuition payments:

- a) Full refund: If a student withdraws on or before July 1, 2026, any payments made will be refunded in full.
- b) 50% refund: If a student withdraws between July 1 and the first rehearsal on August 25, 2026, 50% of the tuition paid will be refunded.
- c) No refund: If a student withdraws after the first rehearsal on August 25, 2026, no refund will be issued.

This policy ensures that we can plan effectively for staffing, music purchases, and program expenses while still offering flexibility to families when possible.

## Scholarship

The Susquehanna Chorale EOP program makes scholarships available through donations and proceeds from our October Scholarship Concert. We are determined that every student can participate in this program regardless of financial considerations. Scholarships are needs-based awards that can cover up to 75% of tuition fees. In certain cases additional financial assistance may be considered.

## Participation

The Susquehanna Chorale requires that students participate in their school choral program. The EOP is seen as a supplementary experience for such ensembles, and we work closely with the music directors in the schools locally. We encourage parents to notify music school/church choir directors if their student is participating in our program and strongly encourage that you maintain those commitments during our EOP season. Each student returning or new will need their school music teacher recommendation.
